“

A big thank you for all your support, having hosted us at Mirabeau! We had an enchanting, amazing, magical and unforgettable wedding! Our guests were delighted with the wine tasting on Thursday evening and nearly killed all the rosé on the wedding day (we managed to spare a few bottles). It was wonderful getting to know you and have you involved in our big day.

“

From the initial tasting through to the final delivery on our wedding day, the Mirabeau team were absolutely brilliant in every way. As for the wines themselves, let's just say 130 of our nearest and dearest are now hooked on the Pure rose! It's dangerously delicious.

Private Winetasting Events

Destination weddings often mean that guests arrive a few days before the actual wedding. You can entertain your special guests with a private winetasting event in our gorgeous boutique (small groups up to 10 people).

Inspiring, informative and fun

Seated around our boardroom table, we will present the Mirabeau story, share how Provence rosé wine is made, and of course, do a winetasting of our range - including the wines only available in the boutique.

Walk-in winetastings are also possible during boutique hours; Please consult our website, Facebook page or Google for the opening hours, and if you're visiting Cotignac especially for this, please rather make an appointment? The boutique may be closed due to unforeseen events.

Private winetasting events need to be reserved.
