

SPRING WINE TIME

EAT + DRINK

We might be stuck indoors but spring is definitely not cancelled. We're celebrating the sun from our sofa by cracking open a bottle or five. Here's our favourite spring wines to get you started....

Mirabeau Pure Provence Rosé

Nothing says holiday like a crisp, cold bottle of Provence rosé - we'll be donning our finest striped t-shirt and white chinos to sip on this one.

£16.99 from Majestic

Ridgeview Fitzrovia Rosé

If you're feeling patriotic, this English fizz is the perfect tipple to toast the Great British Summer. Tastes great come rain or shine.

£35 from Ridgeview

Tillingham White

Super smashable English natural white wine. This one goes with anything and everything. Great value too (and a little dangerous).

£18 from Tillingham

Joiseph Mischkultur 2018

One of our fave natural wine suppliers, Modal is now doing deliveries direct to your door including this fresh AF white.

£19 from Modal Wines

Samas 2018 Sardinia

If, like us, your kitchen skills go as far as ladling chilli oil on everything, then this wine is fruity enough to stand up to your spice.

Renegade Nat Fiz Rosé

We're partial to a bottle of Pet Nat and this one is made in the depths of the tropics... you guessed it. Bethnal Green. Chin Chin!
