TASTING NOTES	A soft pale Rosé with peach reflections. Beautiful concentrated aromas of small red fruits like redcurrant, wild strawberries and yellow cherries immediately charm the nose. Delicious and round on the palate, with layers of red fruit and a touch of mineral freshness. This wine has great length and is a charming aperitif, as well as a mouthwatering food companion.
FOOD PAIRING	Nude Pink is best paired with grilled seafood, like a crispy-skin red mullet with saffron potatoes or juicy white meats, such as a lemon and thyme organic slow roasted chicken. It would also work well with a big bowl of organic summer berries and Mascarpone cream.
ANALYSIS	Alcohol 12,51%   pH 3.27   RS <1g/L
